BECOME A PAYFIRMA PARTNER

If you're a progressive bank or credit union looking to better serve your members with future-proof payment technology, Payfirma can help you offer your clients innovative and secure ways to get paid.

INCREASED REVENUE

From a one-stop payments shop for your members to marketing support, we ensure that we're doing everything possible to maximize revenue for our partners.

EASY IMPLEMENTATION

We take a hands-on approach to get you up and running and equip your front-line employees with product training and marketing initiatives.

INCREASE DEPOSITS PER BRANCH

Access more of your member deposits by offering increased methods of payments.

SAFETY AND SECURITY

We take care of PCI compliance so your members don't have to. Every transaction processed through our secure platform is encrypted, access is always tokenized, and payment information is safely stored in our Customer Vault for easy billing.

CENTRAL 1 PARTNERSHIP

Our Central 1 partnership empowers credit unions with increased benefits like higher revenue share, reduced member pricing, and innovative development for credit unions.

REPORTING FEATURES

Our partners receive regular reporting packages on their customer referrals, as well as updates on accounts that go live.

BANK AGNOSTIC

We work with the FI of your choice to help ensure that your clients stay with you.

OMNICHANNEL PAYMENTS PLATFORM

From Web Terminal to Invoicing to Recurring Billing, your members will be able to accept credit cards however their customers want to pay – all from one innovative platform.

DEDICATED 24/7 SUPPORT

You and your members get help when you need it with dedicated phone lines, on-demand resources, training programs, and 24/7 technical support.

WHITE LABEL PAYMENTS PLATFORM

The first of its kind in the payments industry and exclusive to our partner network, Payfirma's omnichannel payments platform is now a white label digital solution.

We enable frictionless payment processing from the brand your members trust.
