## WHITE LABEL PAYMENTS PLATFORM

The first of its kind in the payments industry and exclusive to our partner network, Payfirma's omnichannel payments platform is now a white label digital solution.

We enable frictionless payment processing from the brand your members trust.

### OMNICHANNEL PAYMENTS PLATFORM

From Web Terminal to Invoicing to Recurring Billing, your members will be able to accept credit cards however their customers want to pay – all from one innovative platform.

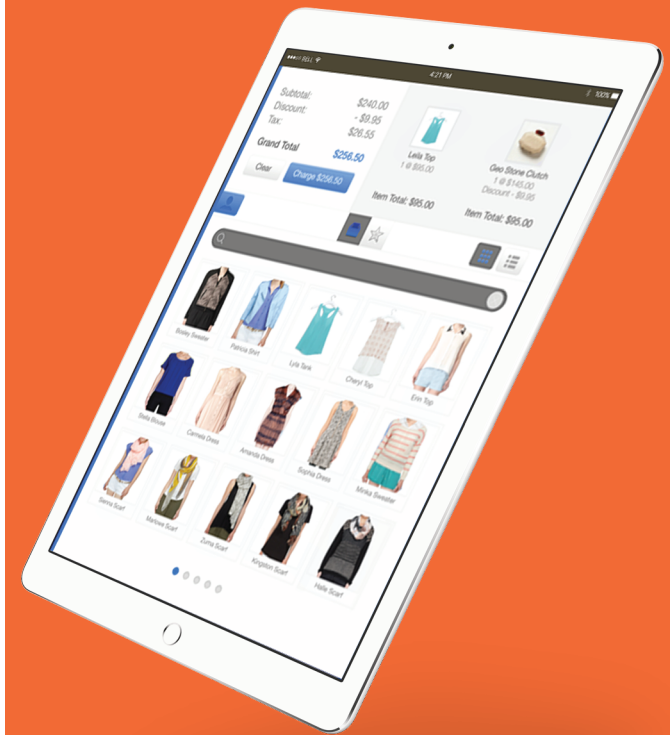

### SAFETY AND SECURITY

We take care of PCI compliance so your customers don't have to. Every transaction processed through our secure platform is encrypted, access is always tokenized, and payment information is safely stored in our Customer Vault for easy billing.

### 24/7 SUPPORT

You and your customers will benefit from seamless onboarding, product training and help when it's needed through dedicated phone lines and email to ensure there's no interruption to your members' business.
